

JVIMS –MBA Institute conducted Industry Institute Interactive meet along with CII(confederation of Indian Industry) on 25th Nov 2010.

The objective of such interaction was intended to enable students know the skill set required from industry's perspective and how the same can be addressed in most efficient manner.

In this Interesting meet following experts were presents Mr. Ripple Patel- chairman CII western Gujarat zonal, Mr. Kishor Rathod- Manging Partner Sankisco healthcare Industries , Mr. Deepak Sachde- President Rajkot Management Association , Mr. . Srinivas -Deputy General Manager(HR) –Essar Power, Mr. Ashwin Gajera -Managing Director, Mr. Bhagesh Chanderia -Director Mayank Extrusion, Mr. Manish Maru -OET Committee member, Mr. Bhartesh Shah Trustee, Dr K. J. Thankachan- Campus Director, Placement Incharge Mr. Prgnesh Patel.

JVIMS Deputy Director Dr Ajay Shah welcome all esteem guests. & asked industrialist some issue which is faced by MBA Students.

Student of JVIMS Actively Participated in this meet and asked their query regarding what skill set requires to enter in to any industry. Industrialist replied that the basis skill require is attitude, passion towards work, leadership and focus. Students also asked question regarding importance of institute name to get the job. Industrialist answered that the first thing important for any company is brand image, past experience. One of the students asked what should be an MBA student salary expectation on first job. Dignitaries replied that at initial level never look for salary if you are getting your interest job then salary is not important. If you work passionately then in future the same company offers as per your caliber .Students benefited lot from this discussion which will helpful them to achieve their career's objective.

This interactive meet was coordinate by placement coordinator Ms. Sheetal Rana..
