MBA Faculty Development Program (MBA-FDP)

17 to 22 August 2010 at Vadodara

With a view to **improve teaching quality, enhance teaching capabilities and train** learned Faculty members of **MBA Program** offered by **MBA Institutes / Colleges, SMJV's CKSVIM** in association with **GTU** and **HEF** proposes to organize **Faculty Development Program (FDP)** at **Vadodara to begin with.***

Purpose of Faculty Development Program for MBA:

The FDP shall enable to converge MBA institutes from nearby locations at one location for **improving their faculty members with lesser or no experience in teaching at MBA program** which **demands unique pedagogy in teaching-learning process with Case studies** and also in **designing balanced Question Papers for each subject** with theory and practical / case study / quantitative sections.

The **week long Faculty Development Program, covering one or two subject per day** for the benefit of **MBA institutes**, is designed to improve teaching quality, evaluation and professionalism which can then lead to self-propelled changes in teaching-learning process. The **need of Faculty Development Program is felt** to make the faculty members aware about the latest methods and techniques, particularly the **new Evaluation system of GTU** as well as the **Case Study Method** in the course/contents of all the subject areas and specializations, and thus enable the faculty members to understand appropriate methodology to be used in class while

teaching their subjects. **FDP** will also help in developing **better-equipped and knowledgeable faculty members**, who will, it is hoped, become more **effective role models** for today's smart students.

Objectives of FDP for MBA:

- To impart knowledge about the teaching methodology and improvements in respective subject areas for better delivery.
- To give due weightage to practical / case study / quantitative methods as well as theory.
- To provide deeper insight to the faculty members in respective subject areas.
- To instill the habit of using various journals/magazines/case studies/projects/assignments etc. for increasing effectiveness.
- To provide a glimpse of designing Question Papers for Internal Test and Final Examination.
