

GUJARAT TECHNOLOGICAL UNIVERSITY
DIPLOMA IN TEXTILE PROCESSING TECHNOLOGY
SEMESTER: 4

Subject Name PRACTICES IN BLEACHING & FINISHING-II

Sr.No	Course content
1.	Carry out Temporary, semi permanent and permanent stiffening of various synthetic fabrics
2	Delustering of man-made fibre fabric by external delustering.
3	Creeping on various fabrics.
4	Softening of cotton fabric.
5	Softening of Natural/Synthetic blend fabrics
6	Softening of synthetic fabric.
7	Water repellent finish by silicon treatment.
8	Water proof finish on cotton fabric.
9	Resin finishing on cotton fabric.
10	Crease resistant finish using resin precondesate.
11	Wash and wear finish on given fabric.
12	Flame retardant finish on cotton fabric
13	Antipilling finish on staple fibre fabric.
14	Antistatic finish on polyester fabric.
15	Mothproofing finish on cotton and wool fabrics.
16	To observe the combined effect of various finishing agents on textile substrates.
