To,

All Final Year BE Students/Project Guides/Principals/BE Colleges,

Subject: Inclusion of Novelty Search Report in Project Report of Final Year B.E Student's Project.

To increase novelty & utility of student's project and to support such projects which have potential to go ahead, GTU wish to provide further support of product development, IPR protection as well start up facilitation support.

You may refer: http://gtu.ac.in/uploads/SSI%20Grant%20for%20Innovators_701021.pdf

To do the above support, university requires "Novelty Search Report" as a part of final year project report being submitted through PMMS.This is to be done by every team submitting their final year project. Students are encouraged to perform patent search and prepare Novelty Search report using various *free/open source patent databases and others*, as mentioned in GTU PMMS Guideline (Page No 33).

The format of Novelty Search Report is provided as **Annexure 1**.

Soft Copy of Novelty Search report in .docx (Microsoft Word file Format) is available at: gtuipr.gtu.ac.in/Reports/patentability%20assessment%20report519.docx

NOTE: For any query related to preparation of Novelty Search Report, student/faculty members may send an email with details at: s4@gtu.edu.in
