Date: 16-05-2017

CIRCULAR

To,

Principals/Directors of B.E Colleges affiliated to GTU

You might be aware that GTU has introduced a 100 activity points program for all B.E students for giving them an opportunity to explore their skills and abilities while getting engaged with various hobbies and co-curricular activities during its 4 years of study. Recently authorities from AICTE have also taken note of this program and appreciated good efforts being undertaken towards harnessing creative potential of young students across your colleges.

Kindly find a below application format in which each B.E colleges need to fill their detail and send to the university at 100activitypoints@gtu.edu.in. Each college authority needs to precisely mention their efforts in this program by answering few sets of questions which are given in it so that efforts across colleges can be benchmarked and analysed. Best 15 colleges/institutes/campus which are doing thorough efforts in this program will be awarded/appreciated by a university in a special function. Campuses having multiple B.E.colleges in single premise are required to send a combined application/report mentioning all college details. The reports should be sent to GTU through mail by 15th June 2017.

Along with this report each college, which wish to apply for inducting new initiatives under this program under various heads of 100 activity points should also apply their proposed event/activity details along with this mail and attach those docs related to the proposed activity in below mentioned format in mail too before 15th June 2017. With approval from concerned committee/authority at university such activities can be formally inducted under 100 activity points for that college and students can fetch activity points.

For any query revert back to Asst. Prof Deepak Upadhyay or Asst. Prof. Raj Hakani
