For information to all the Heads of institutions/ Faculty members/ Students and trustees associated with institutions running Integrated MBA course.

AICTE had sent a circular to all the affiliating universities of AICTE approved institutions by which the 5 year Dual Degree MAM (Master in Applied Management) programme was converted to 5 years Integrated MBA course. Based on this letter students admitted in Integrated MBA course since academic year 2016-17 had queries regarding the exit option after three years of the course and the graduation degree to be awarded, if any.

Based on the documents cited above, GTU has resolved that 'students can leave the course after 3 years after successful completion of all six semesters and be eligible for graduate degree. i.e. BBA (as a part of 5 year Integrated MBA course). GTU will issue grade sheet with the course as MBA (Integrated) at the end of each sem. i.e Sem-1, 2, 3, 4, 5 and 6.'
