

GUJARAT TECHNOLOGICAL UNIVERSITY

CORDIAL INVITATION

CONTRIBUTOR PERSONALITY DEVELOPMENT PROGRAM (CPDP CELL)

ORGANIZES

ONE DAY WORKSHOP ON 'DESIGN BASED LEARNING IN CONTRIBUTOR PERSONALITY DEVELOPMENT PROGRAM (CPDP)'

KEY NOTE SPEAKERS

SWAMI SARVASTHANANDAJI
MR. SRINIVAS
(FOUNDER & CEO, ILLUMINE
KNOWLEDGE RESOURCES PVT. LTD.)

DATE & TIME
10TH MARCH 2018
10:30 AM TO 04:30 PM

VENUE
A2 CONFERENCE HALL
GTU - CHANDKHEDA, AHMEDABAD

About GTU

Gujarat Technological University (GTU) is India's most innovative affiliating type University established by Government of Gujarat vide Gujarat Act No. 20/2007. The University, caters to the entire field of Engineering, Pharmacy, Business studies (MBA programs), Computer Applications (MCA) and Architecture in Gujarat. Today the University has about 440 Colleges, 17,000 plus faculty members, 4 lakh students, a large number of Master's programs and a robust doctoral program.

About CPDP Cell

GTU has started Contributor Personality Development Program (CPDP) since June, 2012. The core objective of the program is to develop the "Contributorship" among the students of engineering, pharmacy and computer science –which enables the students to...

- Create Value –for self, for the organization and for society
- Takes charge and makes things happen, making a positive difference
- Create the opportunities and to see possibilities everywhere
- Obtain long term career success and life-fulfilment

GTU along with I-Become has been working on the challenge of making the program even more valuable to students, easy to administer, and create more engagement with students.

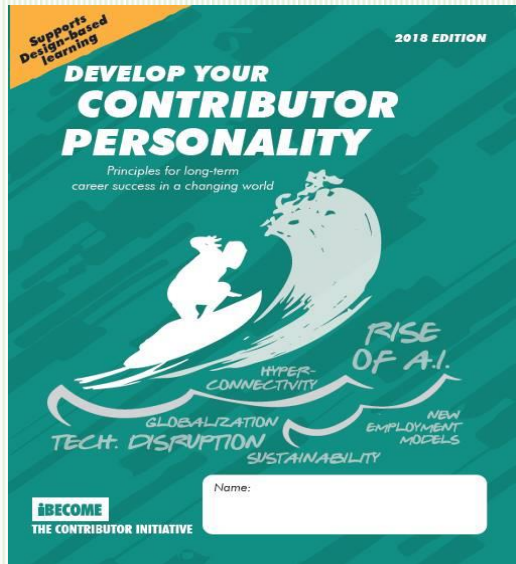

In keeping with this objective, I-Become proposed an "innovation roadmap" for the CPDP. The first step was the introduction of "Digital Application" for a more engaged classroom. Now, in 2017-18, we are happy to announce two significant steps forward in this journey –

1. 'Design-based Learning' in CPDP:

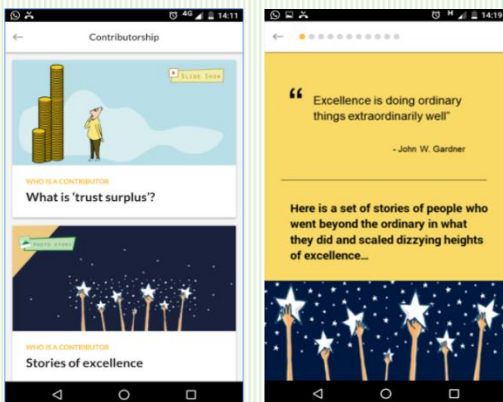

Design-based Learning will make classes more enjoyable for students, because they go through a 'design process' to build solutions and answers, rather than only 'learning & analysis'.

Students also get practical skill building of how to apply contributorship into their lives and career (instead of only understanding contributorship conceptually).

A new textbook is being introduced to support design-based learning in CPDP classes.

- Using mobile app to leverage digital media with analog media to enhance learning:

To bring next generation learning to the students, with the new textbook linked

with mobile-app learning units (via QR codes), at relevant points throughout the book.

In the session –

- Faculty will be able to learn the design-based learning approach and how to apply it in conducting the CPDP classes.
- Faculty will be able to find out how to leverage digital learning using the next-generation CPDP Textbook + mobile-app.

Who should participate?

All faculty members teaching CPDP are invited to take part in the workshop.

Benefits of participating in workshop

- All the participants will be provided the Certificate of Participation
- One complimentary copy of new CPDP book will be given to all participants
- An insight on new pedagogical approach to teach CPDP

How to register???

Kindly register online through below given link: goo.gl/5qWaid

Last Date of registration: 8th Mar 2018 ** Limited seats are available, so registration will be accepted on first come first serve basis.

Programme Schedule

Sessions	Timings
Registration, Tea and Morning Breakfast	10.00 AM to 10.30 AM
Inauguration and facilitation of Guests	10:30 AM to 10:45 AM
Introductory Speech by Swami Sarvasthanandaji	10:45 AM to 11:00 AM
Address by Hon'ble vice chancellor Prof. (Dr.) Navin Sheth	11:00 AM to 11:15 AM
Introduction to Design based learning in CPDP by Mr. Srinivas	11:15 AM to 01:00 PM
Lunch Break	01:00 PM to 02:00 PM
Faculty work on Design-based exercises	02:00 PM to 03:00 PM
Interactive session	03:00 PM to 04:00 PM
Vote of thanks	04:00 PM to 04:10 PM
Certificate distribution	04:10 PM to 04:30 PM
