

Gujarat Technological University
Graduate School of Pharmacy
Center for Pharmaceutical Studies & Drug Delivery Technologies

Organizes

**Faculty Development Program
on**

**“Current Trends in Pharmaceutical Sciences: Education,
Research, Regulatory & Industrial Perspectives”**

15th March 2019 to 19th March, 2019

‘Jointly sponsored by GTU & AICTE’

Venue: Gujarat Technological University
Sabarmati-Koba Highway,
Nr.Visat Three roads, Chandkheda, Ahmedabad-382424

1. About GTU:

Gujarat Technological University is a premier academic and research institution which has driven new ways of thinking since its foundation in 2007. It is established by the Government of Gujarat vide Gujarat Act No. 20 of 2007. Today, GTU is an intellectual destination that draws inspired scholars to its campus, keeping GTU at the nexus of ideas that challenge and change the world. GTU is a State University with more than 450 affiliated colleges in its fold operating across the state of Gujarat through its FIVE zones at Ahmedabad, Gandhinagar, Vallabh Vidyanagar, Rajkot and Surat. The University caters to the fields of Engineering, Architecture, Management, Pharmacy and Computer Science. The University has about 4,00,000 students enrolled in a large number of Diploma, Under Graduate, Post Graduate programs along with the robust Doctoral program. GTU has initiated a large number of innovative projects. Few examples are:

Establishment of 14 post graduate research centers

Establishment of GTU innovative council

Supporting student startup projects

To provide training & other services to promote IPR related activities

Integrated training and placement (ITAP) activities of all disciplines under GTU umbrella

2. Graduate School of Pharmacy (GSP):

Graduate School of Pharmacy (GSP), at Gujarat Technological University is in its infancy. With commitments of students, dedicated faculty and visionary support of distinguished Pharmacist Dr. Navin Sheth - Hon. VC of Gujarat Technological University, and all other stakeholders, it aspires to be one of the premier institutes in the field of Pharmaceutical Education and Research. Currently, it offers AICTE & PCI approved M. Pharm (Pharmaceutical Regulatory Affairs) course and aims to introduce M. Pharm (Pharmaceutical Quality Assurance) course from the A.Y. 2019-2020. Centre for Pharmaceutical Studies and Drug Delivery Technologies at Graduate School of Pharmacy, plans to undertake research projects in the area of Drug Discovery and Drug Delivery Technologies. GSP has planned to establish a centre for skill development in the Life Sciences Sector as well as a centre for continuing education in Pharmaceutical Sciences.

3. Eminent Experts:

Eminent speakers from Academic Institutions and Industries will deliver the expert lectures.

4. About the Faculty Development Program:

This program is designed with a view to acquaint faculty members, with current trends in Pharmaceutical Sciences. The program aims to target following areas with respect to current trends in Pharmaceutical Sciences:

4.1 Education:

Accreditation by NBA is a need to assure quality of education to all stake holders. Participants will be trained in context of Out-come based Education as per the mandate given by NBA.

The program also envisages to provide some insight to participants in the context of ethical and behavioral aspects related to the field of education.

4.2 Research:

The Programme aims to provide insight in the research aspects in pharmaceutical Sciences such as impact of research and ethical aspects of pharmaceutical research.

4.3 Regulatory & Industrial Aspects:

The program aims at deliberating on current trends in Regulatory aspects with respect to Pharmaceutical Industries.

5. Who should attend?

All teachers from AICTE approved institution affiliated with the GTU are eligible to participate. Faculty with specialization in the areas of all pharmacy disciplines. Preference may be given to Faculty with 2-10 years of teaching experience.

6. Important Dates:

Event Date: 15th March to 19th March 2019
Time: 10 am to 5 pm
Last Date of Registration: 12th March 2019

7. Venue:

Gujarat Technological University
Sabarmati-Koba Highway,
Nr.Visat Three roads, Chandkheda, Ahmedabad-382424

8. Registration Fees:

As such there is no registration fees. However, participants need to pay fees of Rs.500/- at the time of registration. Fees will be refunded upon successful completion of programme. Registration is first come, first serve basis.

9. Accommodation:

If accommodation is needed, then please contact Dr. Kashyap Thummar, Assistant Professor, GSP at ap_kashyap@gtu.edu.in

10. For further query:

Please contact Ms.Dipa Mehta, Assistant Professor, GSP at ap_gsp_dipa@gtu.edu.in / 9428804956

Payment Instructions:

For payment of registration fees please go to link as below:
