

L. D. College of Engineering, Ahmedabad

L. D. College of Engineering, Ahmedabad is a premier engineering college in Gujarat State set with the objectives of imparting higher education in various fields of engineering. The institute is affiliated to Gujarat Technological University and administrated by Commissionerate of Technical education, Government of Gujarat. Sheth Shri Kasturbhai Lalbhai established institute in 1948 with generous donation. It is situated adjacent to Gujarat University and at nucleus of various national level institutes like PRL, ATIRA, ISRO, IIM etc. The campus consists of buildings for various departments, offices, hostels and library with 45,220 sqm plinth area. The institute made a modest start with 75 students for undergraduate programs in 1948, post graduate programs in 1954. At present institute runs 14 undergraduate, 15- post graduate and 4 part-time programs.

Seminar on Research Avenues for Engineering and Pharmacy

To inculcate the research in technical education it is essential to create awareness about the available aids of various resources. This program aims to spread the general information among the heads of institutes and researchers of the State of Gujarat about the availability of research aids and research grants from various government departments.
