Gujarat Technological University: Gujarat Technological University was established vide Government of Gujarat legislature act no 20 of 2007, dated 16th May 2007. The Education Department, Government of Gujarat has affiliated Degree and Diploma Engineering, Degree and Diploma Pharmacy colleges from the academic year 2008-09 with Gujarat Technological University. MBA, MCA, M.E., M.Pharm and P.D.D.C courses were affiliated with Gujarat Technological University from the academic year 2009-10. It was established with a view to provide uniform and advanced academic platform to the Engineering, Pharmacy and Management institutes of Gujarat.

The Institute & the Management: The Institute, G.H. Patel College of Engineering & Technology (GCET) is managed by highly reputed and the largest educational trust of Gujarat. Charutar Vidhya Mandal (CVM), established in 1945 for the upliftment of rural education. Over a span of 50 years CVM has been making spectacular progress by venturing into emerging disciplines. Today CVM is nurturing 45 educational institutions of diverse types contributing to the panoramic growth of Vallabh Vidyanagar and New Vallabh Vidyanagar.

From the very inception (in the year 1996), GCET has striven to develop itself into an 'Institution of Excellence' in education and research in consonance with the spirit of modern Gujarat. In meeting this challenge for excellence, GCET has shaped its institution to the contemporary as well as future demands of need oriented education. Today GCET has a total strength of 1800 students studying for Chemical, Mechanical, Information technology, Electronics & Communication, Computer, Electrical Engineering and Mechatronics under the tutelage of 12 dedicated and component faculty members.

Department of Computer Engineering: Department of Computer Engineering has an intake of 60 students and has produced more than 540 computer engineering graduates with its first batch in the year 2003. The department is equipped with seven laboratories with the state of art facilities. Most of the faculty is having post graduate qualifications. Many of our distinguished alumni are having respectable positions in IBM, TCS, Wipro and other companies. There is a remarkable number of students opting for higher studies every year.
