Invited Speakers / Experts:

Dr. Rakesh D. Vanzara

**Professor & Head,
Information Technology Department
Ganpat University-U V Patel College
of Engineering**

Professional Experience

- **Dr. Rakesh D. Vanzara is an educationist and passionate teacher with 20 years of teaching and industrial experience.**
- **Currently he is leading the Department of Information Technology at Ganpat University -U V Patel College of Engineering and an Associate Dean of student affairs at Ganpat University and Chairperson of Board of Studies of Information Technology, Faculty of Engineering Technology, Ganpat University.**
- **Prof. Rakesh D. Vanzara received the prestigious 20th Dewang Mehta Business School Award for Best Professor in Information Technology on 24th November, 2012 at Hotel Taj Lands Ends, Mumbai.**
- **His area of research includes wireless networks, transport layer issues in heterogeneous networks, IoT and machine learning.**

Topic: Introduction to IOT

- Basics of Sensors and Actuators.
- Multiple IOT platform (hardware) example Ras-pi, Arduino,etc., comparison and usage

Dr. Vijay Ukani

**Associate Professor,
Computer science and engineering
department,
Institute of Technology,
Nirma University**

Professional Experience

- **Dr Vijay Ukani is working as an Associate Professor with Computer Science and Engineering Department.**
- **Dr Ukani received his BE degree in Computer Science and Engineering (2000) from SRTM University, Nanded, Maharashtra**
- **MTech in Computer Science and Engineering (2006) from MNNIT, Allahabad.**
- **He obtained his PhD degree in 2016 from Nirma University, Ahmedabad in the area of Multimedia Transmission in Wireless Sensor Networks.**
- **He has several publications as conference papers, book chapters and journal articles to his credit.**
- **He has worked on a research project funded by GUJCOST and currently involved in a research project funded by SAC, ISRO.**
- **His research interest includes Wireless sensor networks, Internet of things, Multimedia processing, and Network protocol design.**

Topic: Raspberry pi

- What is Raspberry pi?
- What is Open Source Microcontroller Platform?
- Raspberry pi GPIO Pins
- Sensors Interfacing using raspberry pi
- Thingspeak apps
- Connect temperature and humidity sensor
- Continuously monitor sensor reading through internet
- Link your Twitter account with Cloud Server
- Generate API and program Raspberry pi
- How to tweet using Raspberry pi
- Get sensor data over twitter packages

Dr. Ritesh Patel

**Associate Professor and Head,
Computer Engineering Department,
CSPIT, CHARUSAT**

Professional Experience

- **Working an Associate Prof. in Computer Engg. Dept.(CSPIT-Changa), Since May 2004**
- **Worked as a visiting faculty for the P.G. and U.G. Course of Computer Engg. at DDU, Nadiad.(2008)**
- **Working as a CCNA instructor and governing Cisco Networking Academy at Education Campus, Changa since July-2005**
- **Project Leader of E-Governance Project of ECC (Since Jan, 2009 to Oct 2012)**
- **Working as a CCNSP instructor since July, 2013**
- **Next Generation Network, Cloud Computing, Parallel Computing & Advanced Computer Architecture are his research areas.**

Topic: IOT Applications

- IOT Applications
- AWS Cloud in IOT
- Understanding Relay Switch
- Making Connections of Relay Switch
- Controlling Relay using Raspberry pi output
- Connecting AC devices with Raspberry pi via relay

Prof. Martin Parmar

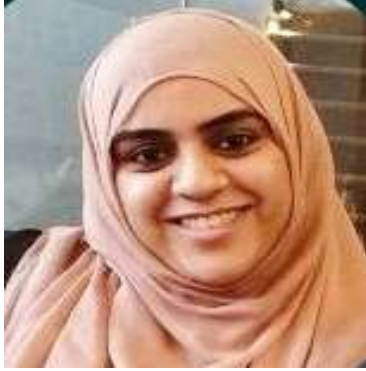

**Assistant Professor,
Computer Engineering Department,
CSPIT, CHARUSAT**

Professional Experience

- **Working as an Assistant Prof. in Computer Engg at CSPIT-Changa.**
- **Martin K Parmar has received his Diploma degree in computer in 2003 from SSPC Visnagar & Bachelor degree in Computer from Charotar Institute of Technology Changa.**
- **He completed his Master degree in 2014 from and L.D College of Engineering, Ahmedabad, Gujarat Technological University.**
- **He is a member of Professional Societies ACM. He has 10+ years of teaching experience at UG level and PG level.**
- **At present, he is pursuing PhD at CHARUSAT.**
- **His areas of interest include Blockchain, Cryptocurrency, Web Application Development using PHP, ASP.Net(C#), Java, Python.**

Topic: Introduction to Block Chain

- Introduction to Block Chain
- Block Chain Application In IOT
- Hands-on Hyper Ledger Solidity Programming

Ms. Sifa Vahora
Technical Lead
Finimble Solutions , Vadodara

Professional Experience

- **Licenses & Certifications:- IBM Blockchain Essentials**
- **5+ years of experience in providing software design and development solutions to the industries of Ecommerce, HR, Manufacturing, Education.**
- **Apart from being an excellent communicator with a broad technical skill set, she has very strong organizational and leading skills with an eagerness to learn new technologies.**
- **Now that BLOCKCHAIN has started revolutionizing the world, she has immersed herself in to the world of BLOCKCHAIN, particularly Hyperledger and has procured the artistry to outvie.**
- **Having consistent experience in programming, she has expertise in Data Structures and Algorithms and has worked extensively on Back End - Web Development. Along with strong debugging and problem-solving skills, she has eminent understanding of system development methodologies.**

Topic: The Future of Blockchain Applications in IoT

- The Future of Blockchain Applications in IoT
- Use Cases of Block Chain in IOT
- Application of block chain related to IOT domain

Program Summary

Information Technology department, SVIT Vasad has organized ISTE & GTU Sponsored One Week FDP on IOT – Evaluation expo with smart environment 11th Nov, 2019 to 15th Nov, 2019. Total 39 participants were benefited from this FDP. The FDP was started with inaugural function at IT seminar hall. Dr. Jayesh Shah (Director), Dr. S.D. Toliwal (Principal), Mr Bhasker Bhatt (Gujarat S.M.C. Member ISTE), Dr. Rakesh Vanzara (Guest Speaker, Ganpat University) and Prof N. V. Shah (Convenor & IT dept. Head), HOD's, faculty coordinators and attendees participated in inaugural function. Prof N. V. Shah, Head IT dept., welcomes all the participants and delivered the importance of the STTP to the participants. Dr. Jayesh Shah, Academic Director, encourage all the participants for FDP on IOT Dr. S.D. Toliwal, Principal provide valuable information about usefulness of IOT in future. The entire FDP was divided into five days. First day was the theory session on **“Introduction to IOT”** delivered by Dr. Rakesh Vanzara, Ganpat University, participants were given knowledge about the basics of IOT. On second day participants were provided knowledge on “Introduction to Raspberry PI” by **Dr. Vijay Ukani**, Nirma University, Ahmedabad. On the third day there was session on **“IOT Applications”** taken by Dr. Ritesh Patel, CSPIT CHARUSAT University. On the fourth day delivered a session on “Blockchain” by Mr. Martin Parmar, CSPIT CHARUSAT University. The fifth day there was a session on **“The Future of Blockchain Applications in IoT”** delivered by Ms Sifa Vohra, **Technical Lead**

Finimble Solutions , Vadodara. Mr. Ramizuddin Munshi, skillIT Nation, conducted the practical session for three days. The participants found all entire sessions interesting and positive feedbacks were received from this FDP. The snapshots of the FDP are attached herewith.

About SVIT

Inspired by the ideals of Sardar Vallabhbhai Patel, the iron man of India, the New English School Trust (NEST), Vasad has established Sardar Vallabhbhai Patel Institute of Technology (SVIT), Vasad in the year 1997 in a peaceful and pollution free environment, 25 km from Vadodara and 20 km from Anand, near Vasad Bus Stand. The Institute is one of the premier institutes in the state of Gujarat, approved by AICTE, New Delhi and affiliated to Gujarat Technological University (GTU), Ahmedabad.

About The Department

Information Technology Department at SVIT, Vasad made a modest start in late nineties in the field of Engineering course in IT Department started in 1998 with vision of providing quality education and skilled manpower to the industry with the initial intake of 40 seats. The department started exploring the wings by increasing the intake to 60 seats in 1999, to 90 seats in 2001 and to 120 seats in 2011. The biggest achievement of the department came in 2009, when it was accredited by the National Board of Accreditation (NBA).

FDP Objectives

The internet of Things is the concept of everyday objects-from industrial machines to wearable devices-using built-in sensors to gather data and take action on that data across a network. This FDP is aimed at giving hands-on training to the faculty members and industrial persons on various aspects of IoT.

FDP Content

- Introduction to IoT and applications
- IoT Platform and Sensors
- Introduction to Raspberry pi 3 & its application
- Sensor Interfacing
- Thingspeak apps
- AWS Cloud in IoT
- Introduction to Blockchain
- Block chain application and its usecases in IoT
- Hands on Hyper Ledger Solidity Programming

Resource Person

Experts from various prestigious institutes like Nirma University, Ganapat University, Charusat University and industry Experts.

INDIAN SOCIETY FOR TECHNICAL EDUCATION

(Under the Societies' Registration Act XXI of 1860)

Prof. Vijay D. Vaidya
Executive Secretary, ISTE

ISTE/GTU-ISTE FDP/2019

July 8, 2019

Dear Sir,

Sub : ISTE-GTU Faculty Development Programmes - regarding

Ref. : - Our offer letter dated June 17, 2019
- Your willingness proforma to conduct ISTE-GTU FDPs

Sanction is hereby accorded to conduct ISTE approved and GTU sponsored Faculty Development Program on **IoT Evaluation Expo with Smart Environment** during **11-11-2019 to 16-11-2019**.

You are requested to take steps to conduct the program subject to the following terms and conditions (as laid down by the GTU):

1. The total budget sanctioned for the program is Rs.1,00,000/-. The additional expenses over the budget limit of Rs.1,00,000/- shall be borne by the host institution if any. The host institute may get the sponsorship from other organization to cover the additional expenses. The duration of the program should be **six working days (preferably from Monday to Saturday)**
2. If the actual expenses are below the limit of Rs.1,00,000/-, GTU shall provide the financial assistance equal to the actual expenses only (after deducting the amount of Registration Fees & Income from other sources).
3. GTU will not provide any advance amount to host institute. The host institute will submit the original bills alongwith other required documents to ISTE Gujarat. After verification (having original bills, report of FDP with Photographs, Fund Utilisation Certificate, TDS declaration, Feedback form and Attendance sheet duly signed by participants for all days) ISTE Gujarat will hand over the file of respective host institute to GTU for reimbursement of bills.
4. Please prepare an information brochure on the program containing desired information and salient features of the program inviting applications from all the institutions in your area. Preference should be given to the participants having ISTE Life Membership and those who are not members, kindly ensure and arrange to enroll them as members of ISTE before/during commencement of the program.
5. ISTE will do the certification of these programs jointly with GTU.
6. The coordinator must be a full time regular faculty and must of ISTE Life Member with adequate experience in teaching and research with publication.

7. The fund will be sponsored by GTU and the sanction budget is Rs.1,00,000/- . The host institute may get the sponsorship from other organisations to cover the additional expenses and also from the participants through "Registration Fees". Colleges may charge upto Rs.1000/- per participants for one week FDP as registration fees. Fees received from the participants will be utilized by institutes to conduct the event.
8. Minimum 25 participants are required to conduct the FDP and maximum 40 participants can be accommodated in one batch. It is mandatory to invite 60% speakers/subject experts from other institutes/organisations. Remaining 40% experts/speakers should be from the host institute.
9. While making claim, institute will clearly mention income from all sources. Total actual expenses after deducting registration fees and income from other sources will be reimbursed by GTU subject to maximum ceiling of Rs.1,00,000/- e.g.:

Total expenses	: Rs.1,50,000/-
Registration fees & income from other sources	: Rs.60,000/-
Amount given by GTU to host institute	: Rs.90,000/- (Rs.1,50,000 – Rs.60,000)

10. **A test should be conducted at the end of the programme and the certificates will be issued only for those participants whose attendance were full and should qualify the test. The test report with marks should be sent in two copies.**

BUDGET FOR ONE FACULTY DEVELOPMENT PROGRAMME

Tentative heads and approximate amount of budget to be sponsored by GTU

1. Boarding & Lodging charges for participants (Rs.250/- × 5×40)	-	Rs.	50,000/-
2. TA Boarding & Lodging for the invited experts	-	Rs.	13,000/-
3. Honorarium to the invited experts (5 days × 4 sessions=20 @1000/-)	-	Rs.	20,000/-
4. Honorarium to course coordinator	-	Rs.	2,000/-
5. Ancillary Staff	-	Rs.	2,000/-
6. Publication	-	Rs.	10,000/-
7. Contingencies, Consumables & Office expenditure	-	Rs.	3,000/-
	=		-----
		Rs.	1, 00,000/-

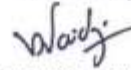

11. At the end of the programme, an evaluation/test is conducted to assess the performance of each participant. **Only those participants whose attendance and performance in the test have been found satisfactory are awarded the ISTE-GTU Joint Course Certificate.** The following details are to be sent to ISTE, New Delhi for the further evaluation:
 - a. Attendance of participants (having signature for all days) attended the programme (2 copies)
 - b. Programme details with brief bio-data of resource persons
 - c. Assessment about the effectiveness and usefulness of the programme by evaluators
 - d. The feedback from participants and coordinators
 - e. Expenditure details (copy o audited statement of programme signed by practicing Chartered Accountant)
 - f. Brief Report and selected photographs of programme
 - g. Conclusion.

12. Any change in the schedule for holding the program, change of Coordinator's name, venue and date would require prior approval, failing which the offer for the grant already issued would be treated as automatically withdrawn.
13. Surprise visits will be planned by GTU and ISTE during the Program. They will have discussions with the course coordinator, resource persons and the participants.
14. Eminent personalities in the field must be invited as the resource person and minimum one good resource person from industry should be invited during the program.
15. You are requested to introduce one session on **Art of Living** during the program .
16. **The check list for submission of documents is also enclosed for your kind reference.**

I am confident that the program being organized at your institute under your able leadership would be a grand success. Assuring you the best cooperation from our end at all times.

With best regards,

Yours sincerely,

(Prof. Vijay D. Vaidya)

Conclusion

The FDP was very fruitful in term of gaining the conceptual knowledge about IOT and Block Chain. In IOT the participants were given thorough practical working with raspberry pi taking different case studies. So, the knowledge gained by the faculty members can be utilized for guiding final year projects, Research Projects and also in teaching-learning process.
