1. Introduction

- 1.1. The guidelines described in this document have been established so that theses can be prepared in a form suitable for library cataloging. The document takes its place in the library as a product of original thinking and research, and it is, therefore, designed to appear in a form comparable to published works.
- 1.2. This document covers the general rules of quality, format and appearance. Students should consult their Project Supervisor for specific content requirements.
- 1.3. It is the student's responsibility to read and follow the requirements presented here. The final copies will not be accepted if they do not fulfill the criteria described below.

2. Originality

M.Pharm. Thesis shall

- 2.1. Consist of the student's own account of his/her investigations;
- 2.2. Be either a record of original work or of an ordered and critical exposition of existing knowledge and shall provide evidence that the field has been surveyed thoroughly;
- 2.3. Be an integrated whole and present a coherent argument;
- 2.4. Give a critical assessment of the relevant literature, describe the method of research and its findings and include a discussion on those findings; and
- 2.5. Include a full bibliography and references.
- 2.6. Check originality of thesis with help of open source anti-plagiarism database (viz. <http://oaps.eu>)

3. Components

A thesis should contain the following parts in the order shown:

- 3.1. Title page (please see sample, Annexure I), containing:
 - the thesis title;
 - the full name of the Candidate and Supervisor;
 - the degree for which the thesis is submitted;
 - the name of the University, i.e. The Gujarat Technological University
 - the month and year of submission
- 3.2. Thesis Certificate page (please see sample, Annexure II);
- 3.3. Acknowledgments

- 3.4. Table of contents (please see sample, Annexure III)
- 3.5. List of Figures and Tables
- 3.6. Abstract (please see sample, Annexure IV). Abstract must provide a concise summary of the thesis (maximum 300 words).
- 3.7. The thesis body (Max. 150 pages, depends upon nature of dissertation work)
 - 3.7.1 Summary of PSAR (Add summary of relevant patents studied at the end of Review of literature)
- 3.8. A thorough reference list; and
- 3.9. Appendices (List of abbreviation, etc.) and other addendum, if any.

4. Language, Style and Format

4.1. Language

Thesis should be written in English.

4.2. Final Version

The final version of the thesis must be free from spelling, grammatical and other errors when submitted.

4.3. Scripts and Page Format

Paper and print quality are vitally important for successful microfilming and legibility. Normally, international A4 80 to 90 gsm white paper should be used for the thesis which should be printed on single side of the paper. Exceptionally, paper other than international A4 size may be used when the nature of the thesis requires it.

4.4. A conventional (Times New Roman) font, size 12-point, 10 to 12 characters per inch must be used with 1.5 line spacing.

4.5. Left Margin should be 38mm (1.5”) all other margins should be consistently 25.4 mm (1.0”). Exceptionally, margins of a different size may be used when the nature of the thesis requires it.

4.6. Header/ Footer of relevant section chapter's may be placed by the student.

4.7. Figures and Illustrations.

4.8. Figures, tables, etc., should be positioned according to the scientific publication conventions of the discipline.

4.9. References

All references must be cited in the text by the reference number using superscripts.

No links between superscripts in the text and actual references in the Reference

Sections may be used. Notes may be used to cite manuscripts in preparation, unpublished observations and personal communications. References cited should follow the style given below:

Authors are responsible for obtaining written approval for all personal communications and sending a copy of the manuscript to those cited as authors of personal communications.

5. Review Cards

- 5.1. Review Comment Cards for all the previous Reviews viz. ITD, Mid Sem along with Remedial of review (if applicable) should be submitted along with the thesis. Thesis will not be accepted without Review Comment Cards. Review comment cards should be attached as appendices after references. After review comment cards, student has to put compliance report of all such comments.

6. Thesis Submission

- 6.1. For examination purpose, **four copies** (two copies for examiners, one copy for college library and one copy for GTU library) of the bound thesis are to be submitted to the Institution Head / University.
- 6.2. At the time of submission the student should submit an electronic copy of the thesis (in .pdf format) separately to their respective institute.
- 6.3. Institute will forward one bound copy and one soft copy of thesis (in CD/DVD) to GTU, while all other copies are to be produced for endorsement at the time of viva voce. The copy brought for external examiners will be returned to respective student after completion of examination.
- 6.4. Institute has to submit branch wise one CD/DVD comprising softcopy of thesis of students (in .pdf format) in separate folders, wherein they have to give enrolment number followed by name of students as folder name. For example: 122050909000_Patel Akash. Different sections of thesis of respective student should be included under his/her respective folder only.
- 6.5. For each branch, separate CD/DVD along with appropriate labeling on the CD cover is required.

7. Anti-plagiarism Check

- 7.1. The student has to check his/her dissertation thesis for plagiarism, which indicates % similarity of the languages used during drafting, using open source database like “Open Access Plagiarism Search” using <http://oaps.eu>
- 7.2. Each student can register himself / herself in this OAPS database (free database) and upload entire thesis either in .doc or .pdf format after log in using user ID and password.

- 7.3. After successful uploading of file, the database will take 1hr to 4hr time period to complete the analysis of % similarity. Meanwhile student can also log off from the system and even stop the internet after uploading of file.
- 7.4. After few hours, when student will logged in once again, he/she will get report ready in html format.
- 7.5. On the first page of report, it is mentioned % similarity with other published literatures. Preferably it should be <30 %.
- 7.6. Students have to take a print out of 1st page of report and it is required to be signed by himself/herself as well as by respective guide.
- 7.7. This report is not required to be attached in Thesis. It is required to be submitted to respective guide only.
- 7.8. The guide has to mention in the Certificate that he/she has received the plagiarism report of respective student and he/she agreed that it is acceptable to them.
- 7.9. As per UGC Guidelines, all dissertation thesis should be made available on University website. Later on if there is any genuine complaint regarding plagiarism then in this case respective student and his/her Guide should be liable for all consequences if prima facia is established. As per the UGC norms, University can revoke M.Pharm degree conferred to such students.
