

International Student Cell

International Student Cell enrolls foreign students to GTU affiliated UG and PG institutes under **ICCR scholarship**. GTU's International Students Cell in last four years (2013 to 2015) has enrolled total **542** International students in Gujarat Technological University from about **33 different countries** from different corners of the world in its affiliated colleges in UG and PG courses like Bachelor of Engineering, Master of Engineering, Bachelor of Pharmacy, Master of Pharmacy, Master of Business Administration, Master of Computer Application and Ph.D. These students are sponsored by Indian Council for Cultural Relations (ICCR), Ministry of External Affairs, Government of India, through different scholarship schemes. GTU is the University receiving **highest number of foreign students** in Gujarat State from ICCR.

International Student Cell, looks after issues related to International Students on day to day basis. The Cell scrutinises International Students' Applications received from ICCR, allocates the students to affiliated institutes, mediates the Fee Payment to institute from ICCR, communicates performance reports of the students to ICCR and furnishes data as required by ICCR from time to time, resolved queries and issues of the International student.

GTU and its affiliated institutes undertakes initiative and activities to ensure the smooth and comfortable academic as well as the social founding of all International Students within the Indian Holy Culture. GTU provides single window clearance for different application and certificates of the students.
